POINTS TO NOTE:

Decrease in Fees

We are pleased to propose that Affiliation Fees will decrease from the previous season as follows:

- Tennis Auckland – by 5% and there will be no upwards CPI adjustment to June 2020.
- Tennis New Zealand – by 30% as announced earlier this year. There will be no CPI adjustment to June 2020.

Please note the proposed Tennis Auckland and Tennis New Zealand fees will be subject to ratification at their respective AGM's in October 2020. Currently Tennis New Zealand charges its affiliation fee as a fixed amount to each region. We are pleased to offer a reduction in affiliation fees for one year only due to Covid-19. In 2021-22 we propose to return to the previous level set for the 2019-20 financial year. To reflect the impact of Covid-19 in this calendar year a CPI adjustment for the three quarters preceding 30 June 2021 will be made.

Timings

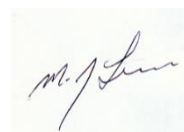

Tennis Auckland will maintain the current process of invoicing Clubs 50% of their Affiliation Fee in November 2020 based on their 2019/20 season membership numbers. Membership Return notices will be sent out to Clubs in January 2021 and must be completed with membership numbers as of 31 January 2021. A wash up balance invoice will be issued in March 2021 based on membership figures as of 31st January 2021.

If you have any concerns, please do not hesitate to contact us.
